## KOMPATIBILITÄTSLISTE

Synco Lube® Synthetisches Tieftemperaturöl

Synco Lube® Low Temperature Synthetic Oil

| <b>Polymer (Kunststoffe)</b><br><small>Prüfung auf konstante Dehnung Zugfestigkeit</small>  | <b>Bewertung</b> |
|---|------------------|
| Acrylonitrile Butadiene Styrene (ABS)   | E                |
| Cellulose acetate (CA)  | E                |
| Polyamide (PA) (Nylon)  | E                |
| Polycarbonate (PC)  | G                |
| Polyethylene (PE)   | E                |
| *ultra high molecular mass (PE-UHMW)  | E                |
| *low density (PE-LD)  | E                |
| Polyethylene-/polybutylenetherephthalat (PET / PBT)   | E                |
| Polyoxymethylene, Polyacetate (POM) (Delrin)  | E                |
| Polypropylene (PP)  | E                |
| Polyphenylene oxide (PPO)   | E                |
| Polyphenylene sulphide (PPS)  | E                |
| Polystyrene (PS)  | G                |
| Polytetrafluoroethylene (PTFE)  | E                |
| Polyurethane (PUR)  | E                |
| Polyvinylchloride (PVC)   | E                |
| Thermoplastic elastomer (TPE)   | E                |
| <b>Elastomere (Gummi / Kautschuk)</b>   | <b>Bewertung</b> |
| Acrylic rubber (ACM)  | E                |
| Buna S  | NC               |
| Butyl (IIR)   | NC               |
| Polychloroprene rubber (CR)   | G                |
| Chlorosulphonated PE-rubber (CSM)   | E                |
| Ethylene-propylene-diene rubber (EPDM)  | NC               |
| Fluorinated rubber (FKM)  | E                |
| Natural rubber (NR)   | NC               |
| Neoprene  | E                |
| Nitrile (NBR)   | E                |
| Polyurethane (AU, EU)   | E                |
| Propylene-tetrafluorethylene rubber (FPM, FEPM)   | E                |
| Styrene-butadiene rubber (SBR)  | NC               |
| Silicone rubber (FMQ, PMQ, MQ, VMFQ, VMQ)   | G                |
| Viton (FKM)   | E                |
| <b><u>Bewertungsschlüssel</u></b><br><b>E - Kompatibilität ausgezeichnet</b><br><b>G - Kompatibilität gut</b><br><b>NC - Nicht kompatibel</b> |                  |
